REF: Summons, Case # 45C010706P000383

DATE: July 17, 2007

As per required by the Summons Case #45C010706P000383, I am responding and asserting my claim that the information supplied to you concerning this matter by Gloria Moreno is predicated upon untruths, slander and misrepresentation. I have not talked to Gloria Moreno in person or over the telephone in over a year. Nor have I talked to anyone who is named on the summons as being present over the phone (and never to Leonette Rawls, whomever she may be).

I have never threatened her or anyone there with any type of harm by any means. I called Gloria's sister who lives in Winston-Salem, NC and left a message for her to contact Gloria so that we all could resolve this matter as quickly as possible. Never, ever a threat of any kind.

On page 2, numbers 7 and 8 could not have taken place since I was in High Point, NC on 6/19/07. I have not been to Gary, IN since 1999 to attend the funeral of my sister (Gloria Moreno's mother). Since I was not there, I could not have caused her any physical harm nor could I have stalked her. I have not talked to anyone listed (except my mother, Emmitt Little) since that group spent the night in my home last year.

I am somewhat confused by page 4, number 9 cont. for being ordered to stay away from the STATE of Indiana. Also, in the next section, there is a check by "Order the --- members:" and there is nothing written on the four lines following that.
